

## PlantiPower Shield

Provide your crops with optimal support using our premium foliar fertilizer spray. After application, a natural protective layer forms, strengthening the crop and promoting growth, flowering, and fruit set. In addition, the spray helps reduce stress caused by heat, drought, and other environmental factors.

### Application

1. Shake the bottle well before use (30 seconds).
2. Use 15 ml of PlantiPower Shield per 1 litre of water.
3. Spray the entire plant, including the underside of the leaves.

60 ml | 75 g

Foliar Spray | Stronger Plants | 100% Natural

**NOTE:** Spray your plants when light intensity is low (in the morning or evening). Apply no more than once per week and up to 7 days before harvest.

This product is not a pesticide. The product is MRL-free. Safe for humans and the environment.

Store the product in a dark place at room temperature.

### Ingredients

Emulsifier derived from vegetable oil, statically charged minerals (>1% calcium & >1% magnesium)
